<sup>1</sup> Cure amounts and purchase orders that have been or will be addressed in separate stipulations and agreed orders are not included on this schedule.

<sup>2</sup> The purchase orders and cure amount for Torrington Co EFT, which were included in the Timken Objection (Docket No. 12532), originally appeared on Schedule 1 of the Steering Sale Approval Order (Docket No. 12868). However, during the resolution of the Timken Objection, the parties discovered that an adjustment was required with regard to one of the purchase orders to be assumed and assigned and the corresponding cure amount for Torrington Co EFT. The information in this schedule therefore amends and supersedes the information in Schedule 1 of the Steering Sale Approval Order.
